

Connecticut Yankee in King Arthurs Court

My kind of loyalty was loyalty to ones country, not to its institutions or its officeholders. The country is the real thing, the substantial thing, the eternal thing; it is the thing to watch over, and care for, and be loyal to; institutions are extraneous, they are its mere clothing, and clothing can wear out, become ragged, cease to be comfortable, cease to protect the body from winter, disease, and death. One of the greatest satires in American literature, Mark Twains A Connecticut Yankee in King Arthurs Court begins when Hank Morgan, a skilled mechanic in a nineteenth-century New England arms factory, is struck on the head during a quarrel and awakens to find himself among the knights and magicians of King Arthurs Camelot. The Yankee vows brashly to boss the whole country inside of three weeks and embarks on an ambitious plan to modernize Camelot with 19th c. industrial inventions like electricity and gunfire. It isnt long before all hell breaks loose! Written in 1889, Mark A Connecticut Yankee in King Arthurs Court is one of literatures first genre mash-ups and one of the first works to feature time travel. It is one of the best known Twain stories, and also one of his most unique. Twain uses the work to launch a social commentary on contemporary society, a thinly veiled critique of the contemporary times despite the Old World setting. While the dark pessimism that would fully blossom in Twains later works can be discerned in A Connecticut Yankee in King Arthurs Court, the novel will nevertheless be remembered primarily for its wild leaps of imagination, brilliant wit, and entertaining storytelling.

A Connecticut Yankee in King Arthurs Court is a framed story. That is, the first chapter tells how a tourist in England, presumably Mark Twain, meets a stran.
