

Sleight of Hand (A Barbara Holloway Novel Book 9)

Gregarious Vegas entertainer Wally Lederer has a lucrative showbiz career, but when a childhood friend accuses him of stealing a valuable artifact, his checkered past comes back to haunt him. Wally claims he's turned his life around since spending time in the slammer for picking pockets, but will the police believe him? More important, does Barbara believe him when he pleads his case to her? Wally swears he's innocent. But when his accuser is found murdered, Barbara knows Wally is in serious trouble. The police have named him as their prime suspect. Barbara begins to dig up the dirt, and before long new evidence points toward an unlikely killer. Now Barbara must decide if protecting her client by revealing the truth will destroy another life she means to save.
