

THE JOURNEY OF BROKEN WOMEN

The journey of broken women is a collection of stories that are touching and heartwarming and inspirational. These are women who went through struggles, brokenness, the hurts and the suffering many of us face today. These remarkable stories contain teachings, important lessons and even divine wisdom from these courageous women. As I began to chronicle their lives and faith, I saw how God took them from nothing, walked them through their trials of life, and use it all to create something beautiful out of nothingness. I began to understand that no matter what, God loves us. You too can rise above that pain, you too can rise above that brokenness. Honor goes above the pain, you can soar like an eagle and rise above that storm. God loves you, and he can help you to climb out of your own pit of despair, he can make that broken life whole, you were not build to break.
