

Foggy Mountain Breakdown and Other Stories

In an earlier life, McCrumb must have been a balladeer, singing of restless spirits, star-crossed lovers, and the consoling beauty of nature... . The overall effect is spellbinding.--The Washington Post Bestselling author Sharyn McCrumb is a born storyteller (Mary Higgins Clark) who astonishes readers and reviewers with the power and scope of her talent, prompting the San Diego Union-Tribune to declare: There is no one quite like her among present-day writers. No one better, either. Foggy Mountain Breakdown, the first-ever collection of Sharyn McCrumb's short fiction, is a literary quilting of old and new, humorous and heartfelt, offering award-winning works--and two stories never before published, contrasting mountain childhoods past and present. Chilling tales of suspense alternate with evocative character portraits and compelling narratives that embrace the southern Appalachian locales and themes of McCrumb's acclaimed Ballad Novels. Within this cornucopia of two dozen stories, Old Rattler, a mountain healer, skirmishes with a serial killer ... Princess Di investigates long-kept secrets within the House of Windsor ... A reincarnated murder victim seeks delicious revenge ... And while honeymooning in the bridegrooms' ancestral hilltop homeplace, two newlyweds harbor second thoughts. The author's perfect-pitch ear for dialogue and ability to illuminate the dark side of human nature merge with her brilliant artistry to make Foggy Mountain Breakdown a virtuoso collection for devotees of Sharyn McCrumb--and for the legion of new readers who will find themselves caught under her spell. From the Hardcover edition.
