

## The Dodgson Chronicles

In the late 1800s, Charles Dodgson, a famous Oxford mathematician, hid his disturbing visions of the future from the Church of England by encoding them into the childrens books *Alice in Wonderland* and *Through the Looking Glass* using the pen name Lewis Carroll. The *Dodgson Chronicles* derives from CIA transcripts produced by a secret cryptology project. As decoded, the book describes his modern day descendants struggle to free the Earth from heretofore unknown creatures.
