

# Men Raised By Women: What He Wont Tell Mom

Boys need male role models so what is a single mother supposed to do when her sons dad isnt in the picture? No matter how loving and nurturing she may be, the simple truth is that a single mother raising a son needs additional help to adequately address the specific male development challenges her son will face. Drawing from his own personal experience, as well as interviews with other sons of single moms, author John P. Dennis alerts women to the critical issues young boys struggle with and offers approaches they can take to resolve these concerns before they become problems. Tackling tough questions like how are boys impacted when their mom starts dating and do fatherless boys suffer lifelong difficulties, *Men Raised by Women* uses expert advice, pastoral wisdom, and mentorship tools to map out a plan that helps mothers set their sons up for success. This straight-talk guide also provides vital information for men mentoring young boys, as well as distant dads wanting to make an effort. Raising children is a group effort, and *Men Raised by Women* provides the insight and support you need to build the best team for your kids.
