Hell has had a breakout...and now the end is nigh! After the news of the death of the man who attacked her JennyH Nolton finally feels she is free once again to live her life rather than to merely exist. Even as she prepares to begin again she starts to experience peculiar occurrences. The torrential rain which shrouds the globe is only the beginning as biblical floods devastate the planet and an Angelic messenger arrives at a church with a brutal message for the worlds sinners and divine vindication for the righteous. Soon the killings once more begin to follow Jenny around as the angelic cult seeks to find her. This dark fantasy sends the heroine of the story into a brutal and unjust world of heaven and hell exploring the foundations of good and evil as she attempts first to survive and then to escape eternal damnation.
