

Rare Objects

The stunning new novel from the New York Times bestselling author of *The Perfume Collector*. Beautifully written wonderfully absorbing with a clever twist in the tale Isabel Wolff, author of *Ghostwritten* Mae Fanning seizes on a job at a tiny, exclusive Boston antiques shop as the fresh start she desperately needs. It opens a window to new world, one peopled with rare and rich characters. But the day that enigmatic socialite Diana van der Laar walks in, Maes hidden past returns. As a moth to a flame, Mae is unable to resist Dianas heady, seductive glamour and glittering life. Yet, like the rare objects in the shop, very little is what it appears Diana included. Moving from Jazz-Age New York to Boston in the grip of the Great Depression, *Rare Objects* is a rich and gripping story of what it means to reach for a braver, bolder life.
