

Tales From the Barside of Costa Rica

This is a fun glimpse at several different stories that have been overheard and shared in some of the bars around Costa Rica. It is all at once a bit of bar humor, guidebook, cautionary tale and hilarious. It is a great collection of stories and an improvement of my previous book. It is just some fun stuff. There is a heap of crazy stuff going on in Costa Rica, every form of vice under the sun is available down there and there are plenty of people taking advantage of them.
