***** Praise from Michael Gowin's wedding clients: Michael's photographs are absolutely stunning. He has such talent, and with his lighting techniques, he is able to capture the most dramatic, emotion-filled photos. Besides his great talent in capturing photographs, he is very

personable and easy to work with. He goes above and beyond the expected and does what is necessary for the clients to have the photographs and memories that will be shared for a lifetime. Thank you Michael for all your work. The pictures are far beyond beautiful. Jessica and Kyle C., Evansville, IN We loved having Michael as our photographer for both our engagement and wedding! He is very personable, making a potentially uncomfortable process both fun and enjoyable. He got to know us and made beautiful photographs that fit our personalities. Weve had our pictures for months and are still receiving compliments. Michael did an amazing job, going above and beyond our expectations. We would definitely recommend him to anyone looking for a wedding photographer! Ethan and Nicole H., Lincoln, IL
