

The Lazarus Project

The only novel from MacArthur Genius Award winner, Aleksandar Hemon -- the National Book Critics Circle Award winning *The Lazarus Project*. On March 2, 1908, nineteen-year-old Lazarus Averbuch, an Eastern European Jewish immigrant, was shot to death on the doorstep of the Chicago chief of police and cast as a would-be anarchist assassin. A century later, a young Eastern European writer in Chicago named Brik becomes obsessed with Lazarus's story. Brik enlists his friend Rora--a war photographer from Sarajevo--to join him in retracing Averbuch's path. Through a history of pogroms and poverty, and a prism of a present-day landscape of cheap mafiosi and even cheaper prostitutes, the stories of Averbuch and Brik become inextricably intertwined, creating a truly original, provocative, and entertaining novel that confirms Aleksandar Hemon, often compared to Vladimir Nabokov, as one of the most dynamic and essential literary voices of our time.
