

When your Child is 6 to 12: Middle Childhood Is The Last Good Chance To Hold Your Child Close

We've been over-run with child-rearing manuals for infants. We've been swamped with advice for relating to teens. But little has been offered to parents whose children are in middle childhood! John M. Drescher, a wise voice in the field of parenting literature (whose books have sold more than 400,000 copies), addresses particular delights and difficulties of this stage in a child's life.
